Thank You

to the Pickering College Community 2014–2015
What a privilege it has been this past year to be part of the Pickering College community. There has been an abundance of deep and caring effort in every facet of service to the school, in so many ways, by so many. The progress of the Global Leadership Program, the growth in opportunities for student engagement, the number and commitment of volunteers, the efforts of hardworking staff—and the generosity of so many thoughtful donors.

Donations from individuals, foundations and companies celebrated in this Thank You To Our Community resulted in over $1.6 million raised this past school year (2014-2015), with additional funds pledged to the Light The Way transformational campaign. The tangible results: a newly renovated Harry M. Beer Dining Hall, more scholarships and bursaries for deserving students, new technologies in the classrooms and cutting-edge teacher training, to name just a few.

Thank you. Thank you for paying tribute to the good experience you had as an alum or that your children had if you are an alum parent of this fine school. Thank you to the current parents and grandparents who support their students’ education today, and look to their alumni experience tomorrow. Thank you to the staff who give their all, every day, for the benefit of every child, as well as donating financially to their school. Thank you to our friends in the community, and to those corporations who are our sponsors. Thank you for your trust and your understanding that a Pickering education “pays it forward” to a world that could benefit from Pickering values and our deep sense of service.

We look forward to sharing more with you about the progress of the Global Leadership Program, as well as Phase II of the Campus Master Plan. Through your support, Pickering becomes “greater, better and more beautiful.”

Thank you.

10TH ANNIVERSARY PICKERING COLLEGE HOLIDAY HOME TOUR, PRESENTED BY STATE FARM CANADA

Over 1000 tour goers lined up to visit seven fabulously decorated homes in Aurora and Newmarket on November 21 and 22, 2014, featuring the talents of some of York Region’s best florists, decorators and designers. The reason was the season…and the celebration of the 10th anniversary Pickering College Holiday Home Tour, presented by State Farm Canada. Over 150 local businesses and organizations helped Pickering College mark this anniversary year. Guests were treated to a delightful journey of holiday sights, sounds and flavours from local businesses, restaurants, event sponsors and more.

The Friday Night Tour’s highlight included a sold-out VIP Design Tour with Cobi Ladner (past editor of Canadian House & Home and owner of CobiStyle). On Saturday, the Tour raised over $78,000, benefitting Pickering College and guests were spoilt with lots of door prizes, gifts, shopping and a fantastic meal. This social event brings together PC moms, alumni-moms, alumnae and guests each year for a fun-filled afternoon.

11TH ANNUAL SPRING LUNCHEON – MAY 14, 2015

It was the Brees Knees at the 2015 Spring Luncheon this year! This 1920s-themed party pulled out all the stops with flappers, dancers, 1920s music, goldfish, pearls, feathers and more. Thanks to the hard working Spring Luncheon committee, guests were spoilt with lots of door prizes, gifts, shopping and a fantastic meal. This social event brings together PC moms, alumni-moms, alumnae and guests each year for a fun-filled afternoon.
Primary students were thrilled to welcome their Grandparents and Special Friends to a fun-filled afternoon. After a heartfelt speech on the importance of the special relationship between students and their grandparents and the invitation for grandparents and friends to become involved with Pickering College, Grandparent Rep and Board Member, Ajit Khanna warmly welcomed our guests.

The Springfest concert followed the afternoon, highlighting the many talents of our younger musicians and bands.

16TH ANNUAL GOLF TOURNAMENT, JUNE 18, 2015

Golfers at the 16th Annual Pickering College Golf Tournament, presented by Serpa BMW enjoyed a spectacular day at Silver Lakes Golf and Conference Centre on June 18, 2015. The beautiful sunny day could not have been more fitting with this year’s Caribbean Carnival theme! Having a theme was a fun new addition with decorated carts, a steel drum band and even island snacks. Alumni, parents, staff, students, sponsors and friends of Pickering College arrived to the warm welcome of our wonderful volunteers and our 102.7 CHOP-FM reporters, Brendan Fitzgerald ’14 and Mike Kelly ’14. Sincere thanks to the 2015 Golf Committee for their hard work in putting this event together, and to Mr. Mitchell Stevenson for his excellent leadership. Thank you to Mr. Quinn Ross ’94 for a phenomenal job as the event live auctioneer. Thanks to the support of our golfers, sponsors, and special guests this event raised over $68,000! These funds have been directed to the Dining Hall kitchen equipment. Well done everyone!

The winning foursome of the Tournament included James Quin-Robot ’14, Mark Sochanjwysy ’15, Evan Lynch and Conner Michaud. We look forward to seeing you all for the 2016 Tournament on Thursday, June 23, 2016.

There are many ways to make a gift to Pickering College:

Gifts of Cash, Cheque or Credit Card: You can choose to make a one-time gift or a monthly gift.

Gifts of Securities and Mutual Fund Shares: You can reduce your capital gains tax by donating appreciated securities to PC. It's a wonderful way to benefit both you and the school.

Matching Gifts: Many companies offer a Matching Gift program. Please contact your HR Department to inquire whether a Matching Gift is possible.

Monthly Giving: Giving monthly is easy and convenient. Your monthly donation can be charged to your credit card (to earn those points!) or you may charge your school account. This is a great way to have your manageable monthly amount make a large impact every year.

Commemorative/Tribute Gifts: Through your donation, you may choose to pay tribute to someone special. This gift can be made in honour of a teacher, advisor, coach, or friend who has had a positive influence and made a difference in your PC experience. Tribute Gifts can include:

- Dining Hall Chair and Table Dedications, wherein an engraved plaque is placed on each chair and/or table that is dedicated. A wonderful gift for alumni, for current students, or teachers.
- Learning Commons Tribute Program, wherein PC families can honour students’ birthdays or other special occasions by making an investment in library resources.

Grad Gift: The graduating class independently decides upon an area of the school they wish to support each year. The money raised is directed towards their chosen area/department as well as the establishment of an endowment fund in benefit of future PC students.

International Gifts: PC uses FRISBE (Friends of Independent Schools and Better Education) who facilitate donations from U.S. alumni and friends to Canadian Independent Schools. They are a licensed U.S. non-profit organization and will issue you an IRS tax receipt. We are happy to send a Canadian charitable tax receipt to donors residing outside of North America.

Gifts in Kind: Gifts in kind can include auction items for events, services to assist our school operations, or gifts of art and property.

Planned Giving: Please join PC’s Firelighter community by making a gift to PC as part of your estate planning. You will have the comfort of knowing that you are ensuring that the Spirit of Community, so profound in Pickering College, lives on for future generations.

For further information about PC’s Firelighters or any other method of making a gift to Pickering, please contact Kim Bilous, Executive Director, Development at kbilous@pickeringcollege.on.ca or 905-895-1700 ext.260.

So simple. So necessary.

We are very grateful to Brian ’56 and Richard ’63 Blackstock for formally donating the wonderful Fred Hagan oil painting of their father, PC Teacher and Director of Physical Education and Director of Firth House Reg “Blackie” Blackstock, which hangs proudly in our Dining Hall. Pickering College is developing a significant collection of Hagan’s work. A noted artist, Fred Hagan taught here for many years before moving on to teach at the Ontario College of Art. We are very grateful to the alumni and friends of the school who have been donating to our art collection.
The implementation of our school’s Campus Master Plan is underway, most notably with the completion this past summer of the renovation of the Harry M. Beer Dining Hall. In the next phase, we will build a centre for teaching and learning, with academic and social space for students from JK to Grade 12. We are building a campus that supports our students and unique approach to teaching, and allows the Global Leadership Program to flourish.

We intend to pay for these necessary improvements through a combination of financing, new revenue generation opportunities and fundraising. The Light The Way campaign has been quietly working with some very generous members of the Pickering College community, and by the end of last fiscal (June 30, 2015) almost $2M had been raised in direct donations and pledges for the campaign. As of the end of the calendar year 2015, nearly $3.5M had been raised against our overall goal of $10M.

Listed here are the generous individuals who have invested in or pledged their support to the future of Pickering College, through the Light The Way transformational campaign. Thank you!
